

ASTCT *Nucleus* Narrative Medicine Series

Patient and Caregiver Publication Consent Form

Purpose

ASTCT *Nucleus* publishes Narrative Medicine stories that may include personal experiences from patients, caregivers, and family members.

Your permission is required before your story, comments, or identifiable experiences can be published.

Consent for Publication

I voluntarily authorize the American Society for Transplantation and Cellular Therapy (ASTCT) and *Nucleus* to publish information that I have provided regarding my personal experiences.

I understand and agree to the following:

- My story may appear in ASTCT *Nucleus*, ASTCT newsletters, ASTCT social media channels, ASTCT promotional materials, and related ASTCT educational content.
- I understand that published content may be publicly available online. Once published, ASTCT may not be able to completely remove copies that have been shared or archived by others.
- I understand that ASTCT may edit or remove identifying information to help protect privacy; however, complete anonymity cannot be guaranteed once material is published.
- I am voluntarily providing this information. I may decline or withdraw my participation at any time before publication occurs.
- I confirm that the information I have provided is truthful and reflects my personal experience.

I understand that publication in ASTCT *Nucleus* does not prevent future publication or adaptation of my story elsewhere, subject to the policies of other publishers. I further understand that ASTCT retains the right to maintain and promote the original ASTCT *Nucleus* version.
